Forgot to mention to you on the phone yesterday the outcome of the criminal case against Samuel Phillip Arrowood. Al reported to me that Arrowood was tried before a Jury last Friday. He was found guilty of a misdemeanor and was given the maximum fine of \$500 plus 24 hours of community service (picking up trash) and 1 point on his DMV record.

It seems the felony was reduced to a misdemeanor largely due to the testimony of an "official" from the Rutherford County Health Department that the septage Arrowood had discharged was of no real concern. Sounds like someone has some educatin' to do.

Providing for your information.

5-13-98 Letter - See attached copy

Dear Mr. Meyer:

Due to the fact that I could not contact my lawyer, Chris Callahan, on August 5th, I am taking this matter into my own hands. I'll discuss further details with Chris Callahan when he gets out of trial court.

This is to notify your office that on June 30th at 8:00 p.m. I was served with this paperwork (see attached copy). After vacation, on 8 July 8th I turned it over to my lawyer's office (Brad Greenway). He was supposed to take care of this matter and get back to me. On August 4th I was notified by his office he would not be taking care of this matter and for me to seek another lawyer's assistance. I went to the law office of Chris Callahan in Rutherfordon on July 29th, only to find out that he was on vacation but would return on Monday, August 3rd. I scheduled the earliest possible appointment, on Tuesday, August 4th. Upon keeping the appointment, I found out I had run past the thirty days.

At this time I am asking for a thirty day extension so that Chris can give me legal assistance in this matter. Please advise immediately (FAX 828-286-8340) because I do want an administrative hearing.

Sincerely,

S. Philip Arrowood

ADMINISTRATIVE PENALTY**

PRELIMINARY STATEMENT

This Compliance Order with Administrative Penalty is issued under N.C. General Statutes 130A-22, the Solid Waste Management Act (N.C.G.S. 130A, Article 9), and the Solid Waste Management Rules (15A N.C. Admin. Code 13B). Title 15A of the N.C. Admin. Code, Chapter 13B contains standards and requirements applicable to the proper management of solid waste.

On March 1, 1971, the State of North Carolina, Department of Human Resources, Division of Health Services, Solid Waste Section, implemented a Solid Waste Management Program under the Solid Waste Management Act, N.C.G.S. 130A, Article 9 and rules codified at 15A N.C. Admin. Code 13B. Solid Waste Management is now a Division of the Department of Environment and Natural Resources. William L. Meyer, Director, Division of Waste Management, Department of Environment and Natural Resources, has been delegated the authority to implement both the Act and the Rules. Based upon information available, the Director has determined that you are in violation of certain requirements of the Act and/or Rules, as set forth below.

STATEMENT OF FACTS

1. On July 11, 1997 at 1:39 p.m., Rutherford County Deputies Chris Atkins and Mark Duncan arrived at Stonecutter Creek, near the Police firing range off Thunder Road, in Rutherford County. The deputies witnessed a 1966 Red Dodge Septage pumper truck labeled "Arrowood Septic Tank Service," owned by Mr. Samuel Philip Arrowood and operated by Mr. Arrowood and Mr. Bill Bradley, discharge the contents of the truck's tank into the creek.

Rutherfordton City Police Chief Randy Greenway, Sergeant Kevin Lovelace, and City of Rutherfordton personnel arrived on the scene at 1:42 p.m. They observed a very dark discoloration in the creek and watched Mr. Bradley go down the bank to retrieve the hose which was still hooked to the pumper truck.

2. On August 22, 1997, the Rutherford County Sheriff's office faxed a copy of the incident report to the Department's Asheville Regional Office.
3. On August 27, 1997, Al Hetzell, Waste Management Specialist with the Solid Waste Section

May 13, 1998

Page 3

The N. C. Solid Waste Management Penalty Computation Procedure, dated April 10, 1997, was used to determine the amount of the administrative penalty imposed with this order. The factors considered in determining the administrative penalty are found in 15A N.C.A.C. 13B .0700 et seq. and include the following: the nature of the violation(s), the potential effect on the public health and environment, the degree and extent of harm caused by the violations, the costs of rectifying any damage, the types and amounts of wastes, the ease and costs of compliance, and any history of non-compliance.

The amount of this penalty shall be paid within sixty (60) days of receipt of this order by check or money order made payable to the Division of Waste Management. Payment should be mailed to William L. Meyer, Director, Division of Waste Management, Department of Environment and Natural Resources, P.O. Box 29603, Raleigh, N.C. 27611-9603. A fee of \$20.00 will be charged for all returned checks on which the payor bank has refused payment.

If you file a petition for an administrative hearing within thirty (30) days in accordance with the applicable statutes and rules, payment of the penalty is due within sixty (60) days after service of a copy of any final decision affirming the penalty.

POTENTIAL CONSEQUENCES OF FAILURE TO COMPLY

You are hereby advised that, pursuant to N.C.G.S. 130A-22, each day of continued violation of any requirement of the act, the rules, or any order issued under the act or rules constitutes a separate violation for which a penalty of up to \$5,000.00 per day may be imposed. If the violation(s) continue, you may also be subject to further enforcement actions including injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and rules.

OPPORTUNITY TO REQUEST A HEARING

You have the right to request an administrative hearing to contest any matter of law, material fact, requirement, or penalty set forth herein. To exercise this right, you must file a written petition in accordance with N.C.G.S. 150B-23(a) and N.C.G.S. 130A - 22(e) within thirty (30) days of receipt of this Compliance Order with Administrative Penalty.

The petition must be signed by you or your attorney. It must state facts tending to establish that the agency has deprived you of property, has ordered you to pay a fine or civil penalty, or has otherwise substantially prejudiced your rights, and that the agency has:

Mr. Samuel Phil Arrowood

606 Old Stonecutter Road
Rutherfordton, North Carolina 28139

Dear Mr. Arrowood:

The North Carolina Division of Waste Management, Solid Waste Section has received your application for a permit to operate a septage management firm in North Carolina during 1998. In accordance with, GS 130A-294(b3) (Senate Bill 126, which passed during the 1997 session of the North Carolina General Assembly) your application for a permit will not be reviewed and is being returned. As soon as we receive notification that your check has cleared your bank, we will process a refund of the permit fee you submitted in the amount of \$300.00.

GS 130A-294(b3) enables the Department to require an applicant for a permit to satisfy the Department that the applicant "Has substantially complied with the requirements applicable to any solid waste management activity in which the applicant has previously engaged and has been in substantial compliance with federal and state laws, regulations, and rules for the protection of the environment". We have been informed by the Rutherford County District Attorney that you were indicted on felony littering charges on December 1, 1997. Based on this unresolved criminal action, your application will not be reviewed until you satisfy the Department that you have been in compliance with Solid Waste Management Rules.

If you feel you are a person aggrieved by this letter you may request an administrative hearing to contest any matter of law, material fact, or requirement set forth herein. To exercise this right, you must file a written petition in accordance with N.C.G.S. 150B-23(a) and N.C.G.S. 130A-22(e) within thirty (30) days of receipt of this Notice.

The petition must be signed by you or your attorney. It must state facts tending to establish that the agency has deprived you of property,

has ordered you to pay a fine or civil penalty, or has otherwise substantially prejudiced your rights. It must also state that the agency has:

1. exceeded its authority or jurisdiction;
2. acted erroneously;
3. failed to use proper procedure;
4. acted arbitrarily or capriciously; or
5. failed to act as required by law or rule.

Your petition must be filed within thirty (30) days with the Office of Administrative Hearings, 424 North Blount Street, P.O. Drawer 27447, Raleigh, North Carolina 27611, in accordance with N.C.G.S. 150B-23(a). A copy of your petition must also be served on the General Counsel, Department of Environment and Natural Resources, P.O. Box 27687, Raleigh, North Carolina 27611-7687. Failure to complete either of these acts within the thirty (30) day period may result in denial of any administrative hearing.

Any administrative hearing will be conducted in accordance with applicable rules contained in Title 26 of the North Carolina Administrative Code. You may request a copy of the rules by calling the Office of Administrative Hearings at (919) 733-2698.

Sincerely,

Dexter Matthews, Chief
